As a part of regular academic class work, the ECE department has identified few topics which are beyond the syllabus that needs to be covered considering the students career in view point. In this regard there is a need to conduct board meeting for taking an appropriate decision with ECE department on conducting guest lecture /workshop /training programs to cover the content beyond syllabus.

I request you to support the department in conduct the Guest lecture /workshop /training programs on academic background to cover the content beyond the syllabus.

Hope to hear from you with a positive note

Thank you Sir,

Yours faithfully
HOD-ECE
