

6.5.1 The Internal Quality Assurance has contributed significantly for institutionalizing the quality assurance strategies and processes. It reviews teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals and records the incremental improvement in various activities

#### **Vision**

Realize an environment where quality is pursued across all Institute procedures to the best satisfaction of all stakeholders.

#### **Mission**

- ❖ To regularly assess academic and administrative processes.
- ❖ To promote self-evaluation, responsibility, independence, and transparency through quality circles.
- ❖ To encourage the efficient use of cutting-edge technical expertise for activity automation.
- ❖ To create protocols for each activity and then improve them in response to input from stakeholders.

#### **Objectives:**

- To establish a mechanism for monitoring the functioning of academic, research, infrastructure, finance, maintenance, and Faculty & Student welfare wings of the institutions.

#### **Functions:**

- Taking feedback on quality efforts from institute stakeholders.
- Periodical conduct of Academic and Administrative Audits and its follow up.
- Raising awareness of different quality criteria.
- Planning workshops and seminars for professors and students on quality development.

#### **1. Institutionalization of OBT & CBT:**

IQAC suggested introducing open book test & closed book test patterns for classroom teaching in the year 2019-2020. Students are encouraged to enhance their skills in preparation, analysis, and execution of content. These practices will improve self-learning skills and creativity.

**Outcome:** The continuous effort of IQAC towards OBT & CBT has resulted in getting a good mark in internal examinations as well as semester end examinations.

#### **2. Infrastructure:**

**IQAC infrastructure initiatives:**

- The institute increased the total number of computers from 300 to 475 during the last five years.
- Wi-Fi facility to all classrooms and Library.
- Suggested to enhance the language lab with the latest i5 processor-based systems for first year students.

**PRINCIPAL**

Lingayas Institute of Management & Technology  
Vivek Nagar, MADALAVARIGUDEM-521 212  
Nuzvid Road, Vijayawada Rural

- Suggested to have Competitive exam cell (CEC) to encourage the competitive exam like GATE, GRE etc. aspirants.
- A new set of classrooms with ICT facilities.

### Review of Teaching Learning Process:

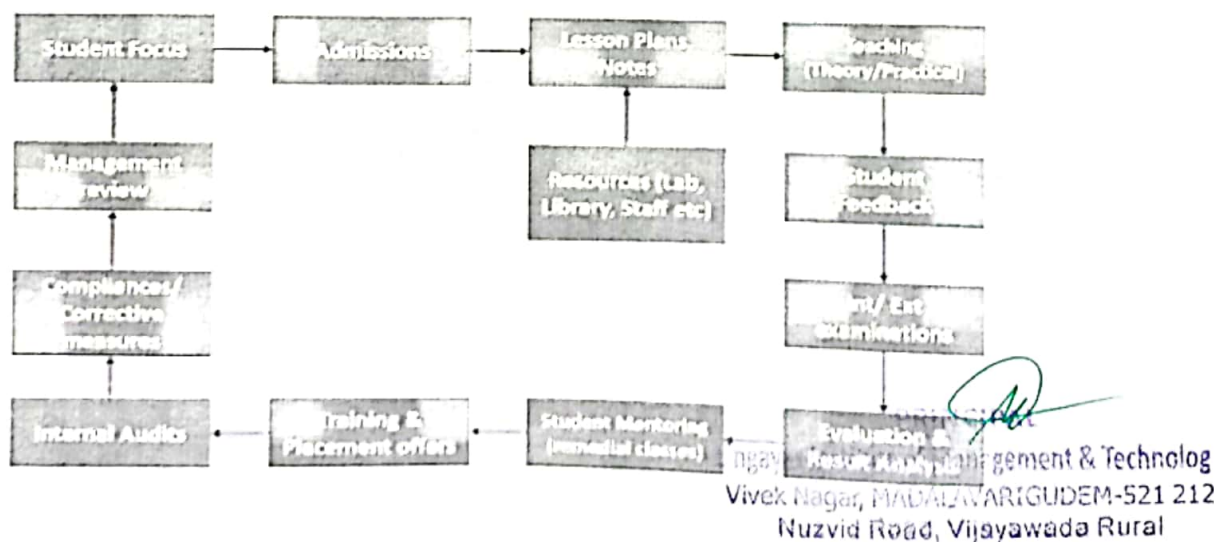

#### 1. Performance Based Self Appraisal System (PBSAS) and student feedback

- All faculty members at the institute are required to keep a course file for each subject they teach.
- Lesson plans, course outcomes, and attainments are all included in the course file, along with details on various teaching techniques, including ICT-based teaching through PowerPoint presentations, group discussions, inspirational movies, etc.
- It is also done to set up test questions in line with learning outcomes (COs), assess them, and map them to programme outcomes.
- It is done to review the semester's results and analyse the students' grades and CO-PO achievement.
- For the proper evaluation of faculty performance, HoDs, the IQAC coordinator, and the principal audit the internal response scripts of randomly chosen courses.
- At the conclusion of each semester, a course end survey is completed to assess the students' achievement of the learning objectives.
- To evaluate the faculty's effectiveness as teachers, feedback is gathered in the middle and at the end of the semester.

#### 2. Academic audit

There are frequent internal and external academic audits conducted by IQAC in cooperation with Instruction Division (ID). A coordinator is assigned to each department who gathers all the information on academic matters such as lesson plans, the teaching methods used by the faculty, evaluation, student counselling, and feedback. The HoD, who is a participant in AC/IQAC, provides guidance to the department coordinator.

### Functions of the IQAC:

1. Development and application of quality parameters for various academic and administrative works of the institution.
2. To focus on the overall professional growth of the student.
3. Arrangement of receiving feedback response from students, parents, and other stakeholders on Quality related institutional process.
4. Documentation of various inter and intra institutional programs leading to the quality improvement.
5. Development of Quality Culture in the institution.
6. Preparation of Annual Quality Assurance Report as per guidelines and parameters of NAAC.

### RESOLUTIONS:

The following scope was fixed for the IQAC

- To develop and execute quality parameters in academic activities.
- To promote research and entrepreneurial activities.
- To conduct workshops/seminars/conferences on quality parameters in Engineering.

The committee recommended that training sessions, seminars, workshops, and certificate programmes be held by each department.

To track each student's overall performance, it was decided to assign a mentor to every 20 pupils and every semester there should be a mentor-mentee program to be conducted.

The committee looked through each faculty's subject allocation and gave recommendations for using cutting-edge teaching and learning techniques.

All departmental heads have been told to take the initiative to conduct FDPs. Also suggested to maintain files for each activity carrying in the department.

The meeting ended with the vote of thanks proposed by Mr. M. Veerendra, the IQAC Coordinator.
